Message from the Board

Hello from CLCL Board of Directors.

On behalf of the Callingwood-Lymburn Community League we hope everyone had a wonderful Christmas season and we wish all of you a happy and prosperous New Year. We hope that 2020 is a great year for all of you.

The League is always busy with the rink in full swing. Safety is our number one concern and we can't stress enough about wearing helmets when you come to visit our ice. We will not allow anyone under the age of 18 without a helmet on the ice. No exceptions! We want to thank our Ice Maker Marc Ryan Armoine and Rink Attendants Jonah Kammermayer and Cole Ewert for all their hard work and making it possible. The word on the street is that the ice is best in the league!

This past October was sad for our Community with the passing of Vic Brown, who managed our Soccer program for many, many years. Our love goes out to his wife Sharon and family.

Moving into 2020 we have programs gearing up. Our team is hard at work preparing for our Outdoor Soccer Season as registration starts February 1st! Please look in this issue for all the details of what is planned for the 2020 year. We can't wait to see all the children playing and enjoying being outside.

Every other year we are lucky enough to have a Casino to fund the programs that we can offer to the Community. This year we are slated for February 12 and 13 at West Edmonton Mall.

CLCL is honored to help sponsor St. Oscar Romero High School's live production of The Lion King. We are all excited to go and attend this event. We highly recommend if you have time to take in the production. The show will run from February 26-29.

Continued from page 1

Our annual Family Skate Day will be happening on February 22, 2020 from 11 to 3 pm. We hope you can all come out and have a hot dog, hot chocolate, and lace up your skates at no charge.

Plans have already started for our 28th Annual Kites Over Callingwood planned for August 29th. Please watch for more details in the coming months. If you would like to be a part of the committee or a donor please reach out to Specialevents1@callingwoodlymburn.com.

As 2020 begins we feel very thankful that we live in such a friendly and vibrant community. It is a great place to raise our families. We have great friends and neighbours and we feel as though the community continues to grow and improve with each passing year. Thank you for supporting the League, the neighbourhood and each other. We hope everyone has a prosperous year and please remember to help each other out; be that a helping snow shovel, a friendly wave or a short visit with a senior nearby. Everyone has something to contribute. Choose what works for you!

Callingwood-Lymburn Community Playschool

At our playschool, our kids live, love, laugh and learn!

Welcome to the Callingwood-Lymburn Community Playschool (CLCP). We are a non-profit parent co-operative program offered by the Callingwood-Lymburn Community League. We are located within Lymburn Elementary School at 18710 – 72nd Avenue, are licensed by the Province of Alberta, and as part of the community league are incorporated under the Societies Act of Alberta. Our school has adopted the Learn Thru Play philosophy, believing that helping children to use their imagination fosters wonderful daily opportunities for learning. The purpose of the playschool is to provide enriching pre-school experiences for children from the ages of 3 to 5 years old.

By Hilary Gordon, 2019-2020 CLCP Committee Chair

Looking ahead to September 2020 for parents of children hoping to participate in playschool, check out our website at

<http://callingwoodlymburnplayschool.com/>

We are accepting registration for our 3 year old T-Th classes & 4 year old M-W-F classes. Classes can fill up fast and names are then collected on a waitlist.

DID YOU KNOW? Children who are turning 3 on or before December 31 can participate in our 3 year old program! **The child must be potty trained.** Children who turn 3 after the first day of classes must attend with their parent/guardian until the child turns 3 years of age. Such attendance can only occur if the child's third birthday is on or before December 31. If the child's birthday is after December 31, the child's spot can be guaranteed only if the parents pay the registration fee and tuition fees for the duration of time between the start of school in September and the child's birthday.

A complete registration must include ALL necessary forms of payment attached to the registration form. Only complete registrations will secure your child's spot on the class list.

For any questions, please email our registrar at info@callingwoodlymburnplayschool.com. We are also on Facebook <https://www.facebook.com/CLCPlayschool>

Can you help?

Indoor Soccer Season 2020

By Kim Street, CLCL Soccer Coordinator

This year CLCL declared 10 teams to play for the indoor soccer season. This is an increase from 6 teams last year. We are now at the halfway mark of the season and more information will be available as it ends. Keep your eyes on our website and Facebook as we celebrate the successes of all our teams.

This year our teams include U7 Mixed, 2-U9 Boys, U9 Girls, U11 Girls, U11 Boys, U13 Girls, U15 Boys, U17 Boys and U19 Girls. These teams would not be possible without our coaches and assistants.

Thanks! Good luck for the second half of the season!

It is with great sadness that Callingwood-Lymburn Community League says good-bye to our past soccer director and long-time volunteer, Vic Brown. Vic passed away peacefully on Monday, October 7, 2019

surrounded by his family. Our condolences go out to his family, Sharon, Jason, Debbie, Corene and his grandchildren. Vic was an integral part of our soccer program for many years and strove to make improvements so children of all ages could enjoy playing soccer. Vic will be missed by all.

Kites Over Callingwood 2019 - Thank You!

By Rebecca Westling, Kites Over Callingwood Director

On Saturday, August 24th, the Callingwood-Lymburn Community League hosted over 500 people for a free pancake breakfast as well as more than 3000 guests from the Callingwood-Lymburn community and other local communities for the 27th annual Kites over Callingwood Festival. The day was filled with activities put on by local companies, kite making, and of course, lots of kite flying! We ended the day by watching a firework display alongside 350 people.

With the participation of so many from our community, Kites over Callingwood was a day filled with lots of fun! On behalf of myself and the Callingwood-Lymburn Community League, I would like to say a huge “thank you” to everyone who came out and supported the event as well as those who made the event possible through their various contributions. Needless to say, Kites over Callingwood this year was one to remember.

Notice of Correction

We apologize for an error on page 8 of our August 2019 issue. Under “2019 Callingwood Park Mural”, it incorrectly stated that students from Lymburn School worked on the mural, when in fact it was Grade 6 students from Callingwood School who worked with the high school students on this artwork project.

THE CLCL WOULD LIKE TO THANK EVERYONE WHO HELPED MAKE THE 27TH ANNUAL KITES OVER CALLINGWOOD A SUCCESS!
