## Message from the Board

We hope everyone is having a wonderful summer even with all the rain we have seen this year.

In this issue of the newsletter you will find information about our Kites Over Callingwood event - please note the date has changed from the September long weekend to the last weekend in August.

This past year the CLCL Board has focused on building up our soccer program and maintaining our playschool program, Kites Over Callingwood event, and other activities that provide services to members and keep the league running. Thank you to the many people who have volunteered their time to support our community.

We are honoring our longest standing volunteer with CLCL, Ron Pierce, as he enters his 50th year of coaching for our Soccer Program.

All good things must come to an end and so we need to thank Kathy Kammermayer for giving 20 years of service to CLCL. Kathy sat on the Board the whole 20 years and was instrumental in putting in place all of our bylaws and procedures for the operations of the league. We will truly miss you.

We also have to say good-bye to our Play School Teacher Annette Graham who has worked with the league for 15 years. She enriched the lives of many young children and we wish her the best of luck in her future endeavors.

Huge shout out to Lisa Madsen and Kim Street for revamping our Soccer Program. This year we had more teams and participants than we have seen in many years. This newsletter includes details for the upcoming Indoor Soccer Program and we hope to see your children participate.

We have some new faces on the Board of Directors, and are looking for more members to join our Board and help guide CLCL. Our Annual General Meeting (AGM) on October 8 is your chance to meet the board and learn about current volunteer opportunities (see page 7 for details). We would also love to hear your ideas for the community league. Maybe you have a passion for city planning and development, want to champion environmental initiatives, or have an idea for a new community program? If you're interested in getting involved in existing community league activities or starting a new one, email us at [callingwoodlymburn@hotmail.com](mailto:callingwoodlymburn@hotmail.com) or attend the AGM!

Thank You!

We would like to thank Kathy Kammermayer for her extraordinary efforts to manage and improve the Callingwood-Lymburn Community League. Kathy has been a volunteer on the CLCL board of directors for the past 20 years, filling many different roles and taking on countless tasks. This year Kathy has decided to step down from her positions on the board. She will be sorely missed.

We hope Kathy enjoys some well-earned rest, and look forward to seeing her at CLCL events and in the community.

# Callingwood-Lymburn Community Playschool

*At our playschool, our kids live, love, laugh and learn!*

*The Callingwood-Lymburn Community Playschool (CLCP) is a non-profit parent co-operative program offered by the Callingwood-Lymburn Community League. We are located within Lymburn Elementary School at 18710 – 72nd Avenue, are licensed by the Province of Alberta, and as part of the community league are incorporated under the Societies Act of Alberta.*

*By Hilary Gordon, CLCP Committee Chair*

As of July 27, we still have afternoon spots available in our Tuesday/Thursday 3 & 4 year old playschool program for 2019/2020!

Our school has adopted the Learn Thru Play philosophy, believing that helping children to use their imagination fosters wonderful daily opportunities for learning. The purpose of the playschool is to provide enriching pre-school experiences for children from the ages of 3 to 5 years old. As we are a parent co-operative playschool, all parents participate in our schools operations by assisting in classroom activities. Parents can also participate on the

committee which oversees the running of the program.

Children who are turning 3 between September and December 31 can participate in our 3 year old program! The child must be potty trained, and must attend with their parent/guardian until the child turns 3 years of age.

For more information, please visit our website <http://callingwoodlymburnplayschool.com> . For questions or to register your child, please contact [info@callingwoodlymburnplayschool.com](mailto:info@callingwoodlymburnplayschool.com) . We are also on Facebook <https://www.facebook.com/CLCPlayschool> .

## Thank You and Farewell to Teacher Annette

Our 4-year olds' teacher of 14 years, Annette Graham, resigned at the end of the 2018-2019 school year. Through the years she was dedicated to providing a wonderful learning experience for all of her students and shaping the CLCP program into what it is today.

We cannot thank Annette enough for the difference she made in our community. She has helped to set the foundation for many of our children's educations. Her students and their families have fond memories of their time in Teacher Annette's classroom.

We wish Teacher Annette farewell and the best of luck for the future.

## Thank You!

Callingwood-Lymburn Community League would like to thank the manager Steven Lai and his staff at the Wolf Willow Starbucks for donating coffee and condiments for our Family Skate Day event in February. We appreciate your support!

The guests enjoyed activities such as a balloon animal maker, Sparkles tattoos, outdoor City games, and a magician show. With the generosity of Celebration Church, we were able to feed all of our guests hotdogs, chips, pop, and popsicles.

CLCL would like to extend a very gracious thank you to everyone who helped us make this event possible.

## Celebrating 50 Years of Service - Ron Pierce

It was the summer of 1969 when Ron Pierce started his Soccer Career – here we are today 50 years later and Ron is still going strong. Not many people can say they have been coaching for that many years. Beyond that it was just another typical year for Ron Pierce from a success standpoint, as he guided his U13 boys to Bronze for City Finals and U15 boys to Silver. Once again, he went to Provincials with the U15 boys and came home with Silver. Ron has gone

to Provincials 49 times in all his years. He's easy to please and just loves the game.

Pierce's longevity and what he was able to accomplish again this year at the helm of Callingwood-Lymburn Community League Soccer Program makes him the longest standing volunteer.

Join us as we salute Ron Pierce for 50 years of service.

## 2019 Callingwood Park Mural

By Cortney McCracken

Callingwood Park has another beautiful mural!

AP art students from Blessed Oscar Romero High School worked with grade 6 students from ~~Lymburn School~~ to paint a mural on a dugout. This year's mural showcases local wildlife.

CLCL was happy to contribute to this project by helping to fund the mural unveiling BBQ.
